I DON'T HAVE MUCH TO SAY THIS TIME, SO...

A short story for you: About ten minutes into cleaning this chapter, I got hungry, so I went to get a snack. I grabbed a pomegranate and brought it upstairs to eat. While I was eating it, I managed to squirt pomegranate juice all over my monitor screen.
I tried to clean it off but.. If there happens to be "dust" I missed while cleaning this chapter, please forgive me. At times I couldn't differentiate between digital dirt and pomegranate smears...

The end of my messy story.

The second opening was almost a failure,
but Love cotton is running smoothly in tip-top shape! ☆
We may not be keeping up with the manufacturing,

Favourite

Before I came to this region to do my live performance, I found a really interesting clothes store. It was very small.

There was not much variety either, and one of the store's Once-chans picked out something for me to wear. It was cute, but it wasn't very mature looking.

I moved to leave, but they insisted they could make me something I would like. And so they worked hard on a special outfit and came all the way to the airport to find me. When I tried it on, it fit perfectly and the style was great! The staff may be young but they make clothes like the pros.

I'm always searching for something good to wear to my live performances, but now this is definitely my favourite. And it was really cheap too =))

Borders on being a sk!!

NAKANO-KUN.
WHAT AN INCREDIBLE LEVEL OF IGNORANCE
YOU HAVEN'T HEARD OF HER NARU-NARU? SHE'S A RISING STAR, BEEN GETTING A LOT OF ATTENTION LATELY

Merry Christmas and a Happy New Year to you all~ <3
I'm so sorry I haven't done anything for anyone yet, blame my educational life I promise I'll start working now! My New Year resolution is to not procrastinate and start working on whatever I am working on earlier than I do presently. What might yours be?

Merry Christmas and happy New Year! I wish you all the best this coming year! I

Merry Christmas, Hanatime!
Even though I'm new to the team, I'm glad that I already feel loved by you guys
I hope everyone will be happy this Christmas!

Wow, it's been 6 months since Hime and I started this group. I can't believe we've made it this far, and that all these awesome people have joined us. We weren't too confident at the beginning, and we really didn't know where to start. A couple groups helped to get us going, we've had some ups and downs with some of them, but no matter what we want to thank all of those groups who gave us a chance. It's amazing, without all these people, it would just be Hime and Hime, kicking it back - chatting. So I want to take this chance to really, truly, seriously thank you all, readers, groups, and staff, for supporting us. We really truly appreciate it, and we're so happy to
Thanks for celebrating our first Christmas together, and we wish you a very Merry Christmas and Happy New Year! =3

-SPIDERDIMOND
Dear readers and Hanatime Staff
Merry Christmas everyone!
I've only been with Hanatime a couple of months but am having an awesome time! I just love strolling through readers comments on manga I have translated and hope that you continue to read my amateur and skillless translations in the future!
Happy holidays!
-Rieutte
Happy Christmas everyone and wishing you an awesome new year. Hands have been tied a bit (with all the awesomeness here in Japan) so I've been a bit of a bad translator. *slaps hand*
Here's hoping I reform my lazy attitude~
-Mazzax
We can't believe we've made it to our first Christmas. All these staff members who surround me, our joint partners and our few, but lovely readers, it's all thanks to you and I want to say thank you for doing this with us. I'm really happy and thankful, I'm very new to this admin thing so I really appreciate every one's guidance and opinions. Please guide and support me in the future too! I wish you all a very Merry Christmas and a Happy New Year! I hope we all have many more to come together.
-Hime
Let's love each other even more this Christmas and this following year! -Pat
